THE MILL OF JUSTICE.

What Has Been Done.

District court has been in session
since Monday and but three jury
cases have been disposed of, although
the court has improved every moment.
Judge Holland presides over the
proceedings with grace and dignity
and is giving universal satisfaction in
the exercise of his functions as district
judge.

The first case to come to trial was
that of Chas. Kinkole vs. T. Barrett,
in which the latter was accused of
stealing a pig. The jury after being
out a few moments returned a verdict
for the plaintiff.

The second case given to the jury
was that of the State vs. Owen King-
ston, it being a case transferred from
Wadena county, the defendant having
been indicted for robbery in the first
degree. The jury was out about
twenty hours before an agreement
was reached, the verdict being an ac-
quittal for the defendant.

The next case tried was that of
Reuben Seafoss vs. the City of
Brainerd, in which the plaintiff sued
the city for damages sustained by
falling upon an icy sidewalk. The
jury agreed upon a verdict of \$200
for Mr. Seafoss, although he sued
for \$3,000.

The grand jury found several in-
dictments, and those made public
against Thomas Holdship for indecent
assault upon Francis Henkel. Wm.
Crummet for robbery. Joseph Tiff
for receiving stolen property, and
Matt. Schroeder for selling whisky to
Indians. The indictments are kept
secret until the parties are arrested.

The Hefferen cases against the
Northern Pacific company have been
continued by consent of both parties
until next term, and the special jurors
summoned have been discharged.

It is quite likely that the term will
continue throughout next week, as
there is considerable business yet to
be done.

In the district court to-day, at
Brainerd, on petition of Attorney
Tighe, of St. Paul, the court entered
an order in the cases involving C. F.
Kindred, now of Philadelphia, and
Alex. McKenzie, of Brainerd, Dak.,
as to the validity of some \$50,000
worth of Mississippi Water Power
and Boom company bonds, which
probably wipes out their value. The
court had previously ordered Mr.
Kindred to produce the company's
books, which was ignored, and the
order granted to-day was to admit
portions of allegations against the
bonds as true on account of disregard
of the other order.—Tuesday's Globe.

Fire Alarm System for Brainerd.

The regular meeting of the city
council on Monday evening called on
a full attendance of the aldermen.
The minutes were read and approved
and minor details attended to pre-
paratory to the evening's business. A
communication from the mayor ap-
pointing Wm. Barron temporary
chief of police was read and
ordered filed, and a second communi-
cation from the head of the city gov-
ernment appointing Wm. Barron as
chief of police was read. A vote was
taken on his confirmation by ballot
and he was rejected, the ballot stand-
ing six to three. F. Jarboe was al-
lowed pay for serving from the 4th
to 13th of the present month as
patrolman. A further communi-
cation from Mayor Hemstead ap-
pointing J. E. Johnson as patrolman was
read and he was confirmed by a vote
of six to three.

A petition of citizens residing in
East Brainerd asking that the lamp
now on the ravine bridge be removed
to the corner of Fourth avenue and
Prescott street to accommodate peo-
ple attending the Congregational
church was granted.

C. Ahrens' bill of \$50 for use of
ground as a dump for city garbage
was referred to committee on health
and sewerage. Mr. Ahrens was al-
lowed \$25 for two years' use of this
ground before.

The committee on finance to whom
was referred the matter of getting
funds to pay bond interest and take
up floating indebtedness was granted
further time.

Representatives of the Gamewell
Fire Alarm Telegraph System being
present explained their alarm system
and made a proposition to put the
same in operation in this city with
five miles of wire and five stations for
\$1750 payable in August 1890. After
considerable discussion the council
decided by vote to have the same put
in and instructed the city attorney
and mayor to close a contract with
the company for the same. The system
is a very complete one and will
be in operation in four months.

A proposition from Mr. Wise, of
the Arlington hotel, to construct sew-
ers from the alley between Laurel
and Front streets to his hotel if the
city would lend their aid by giving
\$300 was read and accepted by the
council. Mr. Wise is to have the
work done in 40 days and this \$300
will cover all expense that the city
will be put to. The depot building
will also be connected.

A motion was made and carried to
set aside all fines collected in the
municipal court for the payment of
the city officers, not including the
electric light employees.

The mayor's attention was called to
the condition of the city park and re-
quested to see that it was properly
attended to.

A resolution to increase the police
force from two to three patrolmen
was carried.

The matter of building side walks
received considerable attention. Ald.
Brown being opposed to the further
construction this fall, but Ald. Koop
got a resolution through ordering a
walk built on the west side of block
168 on north Fifth street, and another
was passed ordering a walk built on
Oak from the St. Paul track to Eighth
street.

The report of the superintendent
of electric light showed receipts
amounting to \$515 in July. A
general discussion followed in regard
to the condition of the plant and it
was stated that several hundred dol-
lars would be required to fix it up in
a substantial manner for the winter.

A motion was introduced and car-
ried fixing the chief's salary at \$75
per month and patrolmen at \$65 and
no pay to be given these officers un-
less confirmed by the council.

The council adjourned after trans-
ferring two or three liquor licenses.

In the case of Ostrander vs. Everest,
the jury at noon to-day brought in a
verdict of \$157.50 for the plaintiff.

Wedding Bells.

The wedding of Miss Rosa R. Gran-
delmyer to Charles D. Parker, of Min-
neapolis, occurred on Wednesday
evening at the residence of the bride's
mother in this city. The ceremony
took place at 8 o'clock, and was pri-
vate, Rev. Fr. Watry officiating. A
reception followed from 9 until 11
o'clock. To give a description of the
decorations and minor details would
take too much of our limited space
this week and we can only say in
regard to them that they were elegant
and perfect.

Dressell's orchestra furnished
music for the occasion and during
the entire evening discoursed sweet
strains for the edification of the in-
vited guests. An elegant repast was
served later on in the evening. Near-
ly all the guests departed for their
homes at 11 p. m., after wishing Mr.

ness in their new relation. The bride

BRAINERD BOOT & SHOE CO.

Has Been There.
From the Brainerd papers we see
that Dr. Kate Bushnell, the National
Evangelist, will deliver a course of
lectures in that city in the near fu-
ture. She has made a good choice in
selecting Brainerd as a point where
moral improvement would not come
amiss, and undoubtedly will make it
interesting for the occupants of the
"ball-headed row" in that city.—
Wadena Tribune.

The author of the above seems to
be posted and as it was about two
weeks since he was in the city over
Sunday it is but fair to believe that
he speaks from experience.

Died.
SAMBKO.—In Michigan City, Ind.,
on Saturday, Sept. 14, 1889, at 7
o'clock p. m., of consumption,
Charles Sambko, aged 29 years, 5
months and 5 days.

The deceased was a barber by trade,
and was well known in this city, hav-
ing resided here a number of years.
He was a man of generous impulses,
and had many friends. In March,
1888, he was married to Miss Anna
Stade, of this city, daughter of Mr.
and Mrs. C. B. Stade. Last summer
the dread disease of consumption at-
tacked him, and he failed steadily
until, in the fall, he went to Michigan
City, to remain with his parents dur-
ing his illness. Like others having
the same disease, he fully expected to
recover. The inevitable result took
place, however, as stated above, and
the funeral was held in Michigan City
last Monday. The deceased leaves a
widow and an infant daughter four
months old.

BURNS.—At Campbell's ranch, twelve
miles above this city, at 2 o'clock on
Wednesday morning, Sept. 18, 1889,
of consumption, John Burns, aged
40 years.

The deceased was a son-in-law of
John Campbell, the well known lum-
berman, and leaves a family to mourn
his loss. The funeral took place in
this city yesterday.

Alberta Annis, daughter of Mr. and
Mrs. R. S. Annis, died yesterday
morning of consumption. The de-
ceased was eighteen years of age, a
young lady universally esteemed,
and her death is sincerely regretted by
a large circle of friends. The family
have the deepest sympathy of all. The
remains were taken to-day to Maple-
ton, Minn., the former home of the
family, for interment.

Mr. and Mrs. Charles Hendrickson's
infant daughter died of croup on the
12th inst.

Mr. and Mrs. Wallace Barden's in-
fant son died at Fort Ripley last Sat-
urday, aged three months.

An infant son of Mr. and Mrs. Henry
Mietchen, of No. 114 Fourth street
south, died last Wednesday.

Senator Buckman's Drive.
Little Falls Transcript: Senator
Buckman had some trouble with his
Indian log drivers on Skunk brook a
short time ago. At a time when the
water was at the best stage the Indians
got possession of whiskey in some
way and all of them went on a spree.
Some of them became wild and quar-
relsome, and the senator had to sub-
due them with a revolver. Before
the close of the spree all the Indians
left and through his troubles with
them the drive was delayed several
days.

A Fast Drive.
Long Prairie Leader: John R.
Griggs of Bertha writes us that he
never had a faster ride for a long dis-
tance than when he went from here to
Little Falls with C. G. Moore of
Brainerd two weeks ago. They made
the drive in the evening and went
through, 33 miles, in two hours and
twenty minutes. Charlie said here
that the team could go, but no one
thought they could over that distance
in so short a time. That is a little
over fourteen miles an hour, and a
part of the distance is hilly, stony and
rough.

pointed commissioner of the general

SAN FRANCISCO, Cal. Sept. 16.—In
the Nigle habeas corpus case Judge
Sawyer this morning decided that the
federal court had jurisdiction in the
matter; that the killing of Terry was
justifiable, and ordered Nigle released
from custody.

Resolutions of Respect.
Adopted by Brainerd Lodge No. 47
A. O. U. W., Sept. 12, 1889, on the
death of brother Patrick R. Wilkins.
WHEREAS, It has been the will of
God to remove from our midst our
late brother Patrick R. Wilkins, and
it being just that a fitting recognition
of his many virtues should be given,
and that his falling should be over-
looked with brotherly love, therefore
be it

RESOLVED, By Brainerd Lodge No. 47
A. O. U. W., that while we bow
with humble submission to the will of
the Most High, we do not the less
mourn over our brother who has been
taken from us.

RESOLVED, That in the death of
Patrick R. Wilkins this Lodge laments
the loss of a brother who was ever
ready to proffer the hand of aid and
the voice of sympathy to the needy
and distressed of the fraternity, and
who was an active member of this
society, whose utmost endeavors were
exerted for its welfare and prosperity.

RESOLVED, That the heartfelt sym-
pathy of this Lodge be extended to
the widow of the deceased in her deep
affliction.

be spread upon the records of this
Lodge, and that a copy thereof be

ceased brother, to the A. O. U. W.,
